The Board of Directors Al Madar Finance and Investment Company K.P.S.C And its subsidiaries Kuwait

Review report on the interim condensed consolidated financial information

Introduction

We have reviewed the accompanying interim condensed consolidated financial information of Al Madar Finance and Investment Company - K.P.S.C ("The Parent Company") and its subsidiaries (together referred to as "the Group") which comprise the interim condensed consolidated statement of financial position as of March 31, 2017 and the related interim condensed consolidated statements of profit or loss, profit or loss and other comprehensive income, changes in equity and cash flows for the three month period then ended. The Parent Company's management is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with International Accounting Standard No (34) "Interim Financial Reporting". Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410 "Review of Interim Financial Information performed by the Independent Auditors of the Entity".

A review of interim condensed consolidated financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with International Accounting Standard No. (34) "Interim Financial Reporting".

Emphasis of matter

Without qualifying our conclusion, we draw attention to note (19) about the interim condensed consolidated financial information which shows that the current liabilities for the Group exceeded its current assets amounted to KD 21,192,769 as of March 31, 2017 (KD 21,018,660 as of December 31, 2016 and KD 17,728,264 as of March 31, 2016).

Report on review of other legal and regulatory matters

Furthermore, based on our review, the interim condensed consolidated financial information is in agreement with the accounting records of the Parent Company. We further report that, to the best of our knowledge and belief, no violations of the Companies Law No. 1 of year 2016 and its related Executive Regulations or the law No. 7 of 2010 in respect of the establishment of Capital Market Authority and the organization of the securities activity and its Executive regulation or the Memorandum and Articles of Association of the Parent Company as amended, have occurred during the three month period ended March 31, 2017 that might have had a material effect on the business of the Group or on its interim condensed consolidated financial position.

We further report that, during the course of our review, we have not become aware of any material violations during the three month period ended March 31, 2017 of the provisions of Law No. 32 of 1968, as amended, concerning currency, the Central Bank of Kuwait and the organization of banking business, and its related regulations.

2- Significant Accounting Policies

2/1) Basis of preparation

The interim condensed consolidated financial information of the Group has been prepared in accordance with IAS 34, "Interim Financial Reporting". and the instructions of CMA and CBK.

This interim condensed consolidated financial information does not include all the information and disclosures required for complete annual consolidated financial statements prepared in accordance with International Financial Reporting Standards and modified for use by the State of Kuwait for financial services institutions regulated by the CBK. These regulations require adoption of all IFRS except for the IAS 39 requirement for collective impairment provision, which has been replaced by the CBK's requirement for a minimum general provision of 1% for cash facilities and 0.5% for non-cash facilities. In the opinion of management, all adjustments consisting of normal recurring accruals considered necessary for fair presentation have been included.

The accounting policies used in the preparation of this interim condensed consolidated financial information are consistent with those used in the preparation of the annual audited consolidated financial statements of the Group for the year ended December 31, 2016.

During the period the Group has adopted all the standards that came into effect for annual periods beginning January 1, 2017. The adoption of these standards did not have any material impact on this interim condensed consolidated financial information.

In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for fair presentation have been included. Operating results for the interim period are not necessarily indicative of the results that may be expected for the year ending December 31, 2017. For further information, refer to the annual audited consolidated financial statements and notes thereto for the year ended December 31, 2016.

This interim condensed consolidated financial information is presented in Kuwaiti Dinars ("KD") which is the functional and presentation currency of the Parent Company.

Amendments to IFRSs which are effective for annual accounting period starting from January 1, 2017 did not have any material impact on the accounting policies, financial position or performance of the Group.

Notes to the interim condensed consolidated financial information for the three months ended March 31, 2017

(Unaudited)

"All amounts are in Kuwaiti Dinar unless stated otherwise"

2/2) Critical Judgments and estimates

The preparation of interim condensed consolidated financial information requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing this interim condensed consolidated financial information, the significant judgments made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those applied to the annual audited consolidated financial statements as at and for the year ended December 31, 2016.

3- Consolidated subsidiaries

The interim condensed consolidated financial information includes the financial information of the Parent Company and its following subsidiaries:

balances	2,287,487	2,266,382	1,796,812
Due to related parties	1,822,733	1,814,696	1,841,769
	27,118,890	27,084,737	26,706,408

Fair value of financial instruments

The fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction. The Group has used the assumptions and accepted methods in the assessment of fair values of financial instruments. The fair values of the Group's financial assets and financial liabilities are determined as follows:

- The fair values of financial assets and financial liabilities with standard terms and conditions and traded on active liquid markets are determined with reference to quoted market prices.
- The fair values of other financial assets and financial liabilities (excluding derivative instruments) are determined in accordance with generally accepted pricing models based on discounted cash flow analysis using prices from observable current market transactions and dealer quotes for similar instruments.
- Fair value of the non-derivative financial instruments is not materially different from its respective carrying value.

The hierarchy levels of fair value are set out below:

- Level 1: prices included (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (inputs relating to prices).
- Level 3: inputs for assets and liabilities that are not based on observable market information (non observable information).

Financial assets and liabilaties are classified in the level was based on the lower level for the important information.

The following table presents financial assets and liabilities measured at fair value in the interim condensed consolidated financial position in accordance with the fair value hierarchy, where the hierarchy classifies the financial assets and liabilities to nine levels based on the importance of the inputs used in the measurement of the fair value of the financial assets and liabilities.

As of March 31, 2017:

	Level 1	Level 2	Total
Investments at fair value through statement of profit or loss	-	72,237	72,237
Available for sale investments	5,043	8,235	13,278
Total	5,043	80,472	85,515
As of December 31, 2016 (Audited):			
	Level 1	Level 2	Total
Investments at fair value through		A STATE OF THE STA	-
statement of profit or loss	_	54,185	54,185
Available for sale investments	4,219	17,477	21,696
Total	4,219	71,662	75,881
As of March 31, 2016:			
As of Water 51, 2010.	Level 1	Lavel 2	T-4-1
Investments at fair value through	Level I	Level 2	Total
statement of profit or loss	-	1,587,560	1,587,560
Available for sale investments	1,438	-	1,438
Total	1,438	1,587,560	1,588,998

There were no transfers between the levels during the period/year/period.
